MARCH-APRIL 2012 CHAIRMAN JIM BOYD  
K7MKN boyd.broadcast@comcast.net

(Below is from Chaire, N7CM. Thanks for sharing Claire-ed)

Hi Fred Had an interesting encounter at the grocery store recently ...kinda funny:

I was waiting at the deli counter...little kid in a cart nearby was looking at me. I smiled, he smiled. Then he said "Are you a Grandmother? You look like a Grandmother".... I said "Yes, I am".... He said: Well , you have hair like a Grandmother"....(I think...."he means gray hair") Then he said " And your face looks like a grandmother"....(I think: "he means wrinkles") I say Yes. Then he puts his hand in his mouth and says "And do your teeth come out?".....At this point I crack up, and so do the other customers nearby: when I stop laughing, I say: "No, not quite yet...".....

When I get to the cash register, I tell the cashier, and she cracks up too.  
Fun day all around!

Obviously, no vanity involved here.... but it was fun, and that little kid must be quite a bright kid to be categorizing people that accurately at his age....could not have been much more than four years old...

Have a good laff on me, and the best to you in the Coming New Year!  
Cheers, Claire and Ernie
