THE OREGON EMERGENCY MEETS ON OR ABOUT 3980. We all need to remember that net control determines the net frequency. I have heard folks advise the net control he was not on frequency. Net control is ALWAYS on frequency if he is on or about 3980. (ed)

Hello Fred,

I have another new member to announce! Please welcome K7DCS Don from Harrisburg. It was my pleasure to issue certificate #1332 on 04/27/2014.

On April 29th 2014 I processed two membership applications. KD7MWT, Shaun Grigsby, from Salem was issued Certificate #1333. W7NEO, Norm, from Wenatchee was issued Certificate #1334. 73. Dennis AG7K

April 29. This morning I had the pleasure of running into Bob Weed, W7SCY, from Surprise, Az.. He holds O.E.N. number 35, he said he started checking into the O.E.N. when they first let Generals check in. Bob was at the KOA campground in Klamath Falls when I met him. He was on his way to Bend He will be spending his summer at a RV park in Bend called "Crown Villa". Bob will be the camp host there.. Bob's lovely wife Nora is also a ham. Her call is N7CQC. Bob mentioned having breakfast at the Red Rooster here in Klamath Falls with some hams this morning. Ruth, K7RFO, and Carolyn, AB7ET, were among that group, and Ruth told me they had a great time remembering the 'Old Days', of the O.E.N.. It was a pleasure for me to meet Bob. If you are around Bend this summer, stop at his RV park, "Crown Villa", and say howdy. (ed)

SK REPORT—We regret reporting the passing of Don Quick, K7TDX, from Klamath Falls. Dick Suber, K7DDI. Reported to me that Don passed away today, May second. Don held O.E.N. certificate number 748, it was issued on 3/12/1979. Don was a net control on the O.E.N. for many years, and often attended the annual O.E.N. picnic. He was active for years as the net control of the Crater Lake Rim Run, amateur radio people provide communications for this event every year. Don was a former officer in the Klamath Basin Radio Association, he was the secretary, and did a newsletter for K-BAR-A

A at one time. Don was a retired school teacher, and has been in poor health for several years. Our thoughts go out to his wife, Judy, and their family. A memorial service for Don will be held on Sunday, July 27. Remembrances can be sent to the Alzheimer's Association at alz.org. Don's picture if from the obituary in the Harold and News , the Klamath Falls newspaper. (ed)

SK REPORT We regret reporting that Ruth Schoor, K7RFO's son Donald Lewis passed away on May 12 at the age of 58. He was being treated for an illness at the Oregon Health and Science University when he passed; it was the day of his 58th birthday. He has worked in the past as a deputy Sheriff. There will be no service. His amateur radio call was KI7AE. Our thoughts go out to Ruth and to Don's loved ones. (ed)

On May 17, 2014 the OEN Board of Directors voted to retain W7WX Larry as the Chairman of the Board for 2014-2015. Thanks again Larry for your service to the OEN. Dennis,
AG7K, Net manager/Secretary

Hello Fred,

It is my duty to report that we have two more members who have lost the battle against time! The first is W7GQU from Cave Junction. Nelson Eshelman passed away in 2011 at age 92, but I just found out about it this week. He held Certificate #825 issued in 1981. His distinctive way of saying his call sign when checking in still rings in my head to this day. Godspeed Nelson! The other is W7QHR Bill Jensen from North Plains. Bill's son Gary, W7TAV, let us know that Bill passed away on May 27, 2014. Bill Held #1199 issued in 2008. Bill is another who has been missed by all the last couple of years as his declining health sidelined him from his amateur hobby. Good bye Bill and God Bless 73 AG7K Dennis, secretary/net manager
