Please call for late, missed, or visitors until at least 7PM. If there are still checkins coming in after that, please continue to call for more. There is a target, but not a requirement to finish the net by 7:15PM. The following is one way of closing the Net. It is your choice on how to do it. At this time I would like to thank my relays _____ I also want to thank everyone who participated in the net this evening. Without you there would be no Oregon Emergency Net. See you all tomorrow evening! This concludes this evening's session of the Oregon Emergency Net. This is _____ returning the frequency to regular amateur use.
