THANK YOU NET CONTROLS AND RELAYS

Especially John, AE7CJ, who took 8 nets again this month

See our calendar on W7OEN.net to determine who was Net Control on any given day.

** Other Net Controls fill in Mondays and Tuesdays; we need new net controls to cover those days so please consider volunteering. You don't have to commit to a weekly slot. Alternates are welcome who fill in whenever they can. Every other week is also a possibility-- whatever you are comfortable with. Contact me at AI7JN@YAHOO.COM if you are interested and I'll forward you checkoff sheets and other tools and information. It's not as hard as you may think, and you'll probably find that it's a lot of fun.*

Also, we appreciate our relays, KD7HB, KI7TRF, W7DPS, KK7HLE, WA7YPJ with frequent assistance from W7WX and others

A special Thank You to Paul (KD7HB) who plays THE key role in determining changes and additions to the roster and who is always there to relay what the rest of us cannot hear. To keep it a manageable size, the roster is purged every 4 months of those who have not checked in during that period. Those who get deleted are always welcome to check in and be added back to the list.
